

# General Science: Physical World

Grades 6-8

Tuition: \$40/month and \$60/one time lab fee

## Materials:

- Master Books: God's Design for the Physical World (ISBN: 9781683441311)
- 3-ring view binder w/ tabs (labels to be announced in class)
- Notebook paper
- Pencils/pens

## Course Description:

*God's Design for the Physical World* covers the intricacies of physical science through lessons on **machines & motion**, **heat & energy**, and **inventions & technology**.

## Classwork:

Students will perform hands-on labs, watch related videos, learn to take notes through lecture, and discuss what was read in the book each week.

## Grades:

Students will be graded on homework answers from chapter questions, worksheets, quizzes, lab reports, tests, and projects.
