

Excel Middle School U.S. I History (grades 6-9)*

Tuition: \$40

This course will study the history of the United States from the pre-European era through the Civil War. Each week the student will read from their textbooks, answer study guide questions, and do occasional maps and worksheets. In class, we will review the past week's homework and students will take notes from lecture. Students will do one project each semester. There will be 5 tests during the year.
