

Intermediate Math

Mrs. Michelle O'Hair

jmohair@hotmail.com

Teacher:

- Bachelor of Science in Elementary Education with a Math Endorsement, Southern Nazarene University
- Former Putnam City Teacher
- EXCEL teacher since 2011

Tuition:

- \$40 per month

Textbook:

- McDougal Littell Middle School Math Course 1; 2004 edition
 - ISBN – 0618087591

Supplies:

- Three-ring hardback binder
- Notebook paper
- Graph paper
- Five tab dividers
- Pencils

Description:

This course will cover the following topics: number sense, measurement, and decimals; fraction concepts and operations; proportions, percent, integers, and an introduction to simple equations. This is a great course to solidify basic math skills before taking Pre-Algebra.

Prerequisite:

- Students must be in at least 6th grade and have a strong understanding of basic math operations.

Workload:

- 3-4 assignments each week
- 30-45 min daily work to complete assignments
- Weekly assignments graded by parents
- Chapter Tests administered and signed by parents
